

Samuel Jack Morris

18 Rue Saint Cuthbert,
Montreal, QC H2W1L3
(250) 508-6292
Samuel.morris2@mail.mcgill.ca

PROFESSIONAL SUMMARY:

Experienced in teaching, designing algorithms, making simple 2D games, and planning / organizing events. Personable, energetic, and fun to work with. Interested in machine learning, neuroscience, mathematics, and robotics.

EDUCATION:

Currently pursuing an undergraduate degree in the Computer Science stream of Cognitive Science at McGill University, with a minor in Computer Science.

EXPERIENCE:

- **Engineering for Kids Vancouver Island, Victoria BC** – Camp Leader
Jun. 2019 – Aug. 2019

Responsible for planning and organizing engineering related camp activities for kids aged 5-12. My role included leading the summer camp's activities, communicating with parents / recreation centers, and applying first aid. Throughout the summer we programmed LEGO robots, built functional rocket-ships in Minecraft, and helped kids discover key engineering concepts / ideas.

- **Youth Engagement McGill, Montreal QC** – Senior Executive (Volunteer)
Sep. 2018 – Present

The Youth Engagement program at McGill hosts a set of weekly engineering related workshops at local high schools with the goal of empowering students by exposing them to STEAM (Science, Technology, Engineering, Arts, and Math). As an executive I'm responsible for helping to maintain our curriculum, working in the classroom with students, scheduling meetings, and training new members.

- **Port of Sidney Marina, Sidney BC** – Dockhand
Jun. 2018 – Aug. 2018

As a dockhand I was responsible for communicating via radio with vessels and assisting them in docking at the marina. Working as a dockhand taught me important customer service, management, multitasking skills as I introduced customers to the marina's facilities, performed maintenance tasks, and setup for events.

- **Latitude Global Volunteering, Zywiec, Poland** – English Teacher (Volunteer)
Feb. 2018 – Jun. 2018

As a volunteer English teacher, I planned lessons, coordinated with other teachers, and taught English to students aged 14-18. Teaching English gave me the opportunity to design homework assignments and think about how to evaluate learning in a complex environment.

- **The Surly Mermaid, Sidney BC** – Prep Cook / Dishwasher.
Jun. 2017 – Jan. 2018

As a prep cook and dishwasher, I prepared salads and desserts for customers, took out the trash / recycling, and locked up the restaurant at the end of the night. Being a prep cook taught me to work as part of a team in a high-stress environment, and enabled me to practice maintaining focus on efficiency and multitasking.

SKILLS:

- Java, Python, HTML, C
- CPR-C Certified (2019)
- Teaching and Lesson Planning
- French Level B2
